As a responsible social enterprise, We will, as always, abide by the charity, energy saving, environmental protection concept.

The more charity projects are carried out, the more people benefit.

We will continue to launch innovative projects and perform it, we are committed to let more stars, entrepreneurs, government officials, organizations, companies and even ordinary people participate in our project, make project itself be a charity business card, benefit more people in need of help, make the world a better place !

Project Introduction

The “Million bags , Million owners” is the first charity project of Chongfar, It is not difficult to understand, Designed to help those children in the poor areas, let them have their own school bags , We have a plan to spend 5 year time to find the owner for our million bags.

Anyone who want to do charity to help those children who even have not a school bag. You can join us our Chongfar project, here the school bags can choose (include the material, Color), you can choose print your Personal Logo or Company Logo, After you

Jiangxi Chongfar Light Textiles Co Ltd

finished all the steps, the school bags will be sent to its owners whom you appointed or we can send the school bags via other charitable organization such as The Red Cross to find someone who need it.

There are two ways to do this charity, the first way that you need order at least 1 piece, and after the quantities arrive 5000 pcs that we will send them to their owner.

Second, you can order at most 1 million for 1 time to finish this project ahead of schedule.

For each bag sales, 1 Yuan (RMB) of the profit will be donated to "The Chongfar foundation" to help more people who need help.

We are looking for some people as below:

1. Designer

Who is willing to do the charity and want to supply his/her idea to help these people who need help.

2. The Partner

Who would like to support our project to help those children, 1 or more bags both okay.

3. The third company or organization

4. They can help us find the people who need help and also support to delivery
